

UPCOMING EVENTS AT MEDICINE HORSE RANCH

Equine Guided Education offers a unique exploration into new and unlimited possibilities with ourselves and the world around us. Encouraged by the horses innate wisdom and energetic feedback we are called to listen deeply to our spirits longing, stirring the caldron of curiosity and opportunity. Horse Sense is a powerful way to explore 2010's options and insights for growth, learning and leadership. No horse experience is required. All activities with the horses are facilitated on the ground in a safe and supportive environment.

Free Equine Guided Education Demonstrations in March, April and May 2010. Reservations are required to reserve a seat, space is limited!
